

# VIVA Back Support

## Postural Back Support

### Composition

- Padded with 1" soft memory foam
- Ergonomically contoured
- 2 Lumbar pad options:
  - Inflatable bladder
  - Customizable foam pad
- Protective high quality cover
- Attachment straps secure the VIVA back support to the back canes, on top of the upholstery

### Benefits

- Lumbar pad may be reshaped to provide individualized fit
- Easy & Fast install
- Does not compromise seat depth, fitting between seat canes

### Application

- Provides trunk support
- Promotes good posture
- Lumbar support provides support and comfort, easily modified for custom fit
- Portable, allows for client to maintain independent lifestyle
